The Candy Shop

On Monday Kate calls Owen.

They go to the candy shop and Kate orders the sweets she wants.

Now it is Owen's turn.

On Tuesday they go to the candy shop again and buy more sweets. They buy two cakes and two lollipops.

On Tuesday they eat some sweets. They eat the candy floss, two cakes and two lollipops.

On Wednesday, they go to the playground and eat some sweets: 4 cakes, 6 lollipops.

On the way home they eat 4 lollipops and 3 cakes.

The last day they are sick because they ate a lot of sweets!!

How many sweets did they have?

Amazing Holidays

Once upon a time there was a family who went to a tropical island!!!

They found five dogs which were angry.

But look! They are very nice!

They went to the beach and they surfed with seven dolphins and ten fish.

In the mountains they saw three llamas.

While they were eating a fox watched them.

The children went up the tower. They watched three birds flying in the sky.

On the beach they saw six crabs.

How many animals did they see on the island?

On the Playground

4 kids and 2 moms are on the playground.

1 mom and 1 kid are going to get the ice-cream.

10 boys come to the playground to play basketball.

The other mum with the three children are going to eat ice-cream, too.

Mark calls to his brother.

George calls to his five friends.

Joe has two brothers and he calls them.

Let's wait now.

One brother and three friends came. How many people are on the playground?
